Hardware Catalog

Best-in-class phones for every kind of business.

Our high-quality phones are perfect for new or established businesses, and range from entry level to executive class options. Easily set up and manage from anywhere with the Ooma Office cloud-based portal.

Ooma 2602/2602W

This entry-level 2-line IP phone is great for new or small businesses, or users with low-to-medium call volumes. It features 5-way voice conferencing; full HD audio on both the speaker and handset to allow users to communicate with the utmost clarity; EHS support for Plantronics, Jabra, and Sennheiser headsets; and noise shield technology to minimize background noise. Model 2602W comes with dual-band Wi-Fi support. This Wi-Fi enabled phone is perfect for situations when running an Ethernet cable isn't ideal.

Ooma 2602
MSRP: \$59.99 (US)
Monthly Rental: \$2.50 (US)

Ooma 2602W
MSRP: \$79.99 (US)
